

CURRICULUM VITAE

Name : Dr. Sharadkumar Pralhad Sawant

Permanent Address : 25/2, Samrat Ashok Nagar Society,
Shell Colony Road, Chembur,
Mumbai – 400 071, Maharashtra.

Telephone no. : 9322061220, 022-22936867

Email : drspasawant@gmail.com
sharad@somaiya.edu

Date of Birth : 25th April 1968, Mumbai

Marital status /sex : Married/ Male

Qualification : 1) M.B., B.S. – 1992. Grant Medical College &
Sir J.J. Group of Hospitals, Byculla,
Mumbai - 400 008.
2) M.S. (Human Anatomy) – Jan. 2000
Lokmanya Tilak Municipal Medical College &
General Hospital, Sion, Mumbai – 22.
3) Professor & Head,
Department of Anatomy,
K. J. Somaiya Medical College,
Sion, Mumbai – 22.

Registration : Registration No. 072755,
Maharashtra Medical Council.

Specialist Training : Human Anatomy

PAN Card No. : AGPPS8908N

Aadhar No. : 906012396290

Employee ID : 710111

Position	Institution	Period		Total Exp	University approval

					PG/ 2/ 2662 of 2005 Dt. 6 th August 2005 of Uni.Mum
Lecturer	K.J. Somaiya Medical College & Hospital, Mumbai-22	11 th March 2000	10 th June 2003	3 yrs 3 mnths	MUHS/ UG/ E-1/ 53/ 1105 / 2602 /2017; Dt. 10.07.2017
Asst. Lecturer	K.J. Somaiya Medical College & Hospital,	16 th March 1999	10 th March 2000	1 year	

Asst. Lecturer	Lokmanya Tilak Municipal Medical College, Mumbai-22	8 th Feb. 1996	8 th March 1999	3 yrs 1 mnths	
Asst. Lecturer	K.J. Somaiya Medical College & Hospital, Mumbai-22	7 th July 1993	1 st Feb. 1996	2 yrs 7 mnths	
		Total teaching experience – 26 years			

Professional experience:

1. Teaching experience of 24 years, working in different institutions, during this periods I have taught regional Anatomy, Embryology, Histology, Genetics to undergraduate and postgraduate students.
2. Participated in evaluation and examination of the students.
3. Trained in Histology techniques, prepared Histology slides for the department and prepared specimens for development of the museum.
4. Taught Anatomy to students of Dental, Physiotherapy, Occupational Therapy, and Nursing Courses.
5. Participated as Faculty in various workshops
 - i) Global workshop on Pain Management (K. J. Somaiya Medical College)
 - ii) Introduction to Pain – Basics (Ashirwaad Pain Clinic, Dadar and K. J. Somaiya Medical College & Research Centre)

Research Experience:

Dissertation titled ‘Study of Thymus Development in Hundred Indian Fetuses’ approved by University of Mumbai for the award of M. S. in Human Anatomy.

Medical Education Technology (MET) Participation:

1. Participated in the 1st Medical Teacher’s Training Course held on 26th Feb. - 1st March 1996, organized by Staff and Research Society, L.T.M. Medical College, Sion, Mumbai.
2. Participated in the 5th Basic Course in Medical Education Technology at the GSMC - KEMH - MCI Nodal Centre from 6th - 8th April 2011.
3. Participated in the Basic Course Workshop in Medical Education Technologies held during 22nd -24th November 2010 by K. J. Somaiya Medical College, Mumbai associated with Jawaharlal Nehru Medical College, Sawangi, Wardha, Maharashtra.
4. Participated in the Basic Workshop in Research Methodology held on 15th to 17th January 2014, organized by Seth G. S. Medical College and KEM Hospital Mumbai at K. J. Somaiya Medical College, Sion, Mumbai.
5. Participated as a delegate in the National Conference in Health Professions Education held on 24th & 25th Sept. 2013, organized by Medical Education Unit and MCI Regional Centre for faculty development, Seth G. S. Medical College and KEM Hospital Mumbai.

6. Participated in the Revised Basic Course Workshop in Research Methodology held on 29th November to 1st December 2016, organized by Seth G. S. Medical College and KEM Hospital Mumbai, at K. J. Somaiya Medical College, Sion, Mumbai.

Panel of Examiners:

1. Post graduate (M.S.) examination of Gujarat University, Datta Meghe University and KLE University, Belgaum, Karnataka.
2. Post graduate (M.S.) examination of Rajiv Gandhi University of Health Sciences, Karnataka.
3. Undergraduate (MBBS) examination of MUHS, Datta Meghe University, Gujarat University and KLE University, Belgaum, Karnataka.
4. Undergraduate (BDS) examination of MUHS, KLE University, Belgaum and Rajiv Gandhi University of Health Sciences, Karnataka.
5. Undergraduate (Physiotherapy) examination of MUHS.

International Conference Participation:

1. International Conference on “Medical Writing, Editing and Publishing” organized by the Journal of Postgraduate Medicine, held at Seth G.S. Medical College & KEM Hospital, Parel, Mumbai on 23rd-26th September 2004.
2. On “Quality Health Care in Changing Environment: Opportunities and challenges” held at Seth G.S. Medical College & KEM Hospital, Parel, Mumbai on 5th – 6th February 2005.

Chairperson at Conferences:

1. Chairperson at the 10th Annual Conference of KCA held at Shri S. Nijalingappa Medical College and H. S. K. Hospital & Research Centre, Bagalkot.
2. Chairperson at 57th National Conference of Anatomical Society of India at Belgaum, Karnataka.
3. Station-in-charge in the Hands-on Cadaveric Workshop on Anatomical Basis of Clinical Procedures.
4. Chairperson for Poster Session at NATCON 61, organized by ASI, from 23rd to 25th November at PGIMER, Chandigarh.
5. Chairperson at 62nd National Conference of Anatomical Society of India at Imphal, on 26th November 2014
6. Chairperson for scientific session at Conference XIV Annual Conference of Karnataka Chapter of Anatomists
7. Chairperson for scientific session at 6th National Conference of Society of Clinical Anatomists held on 3rd and 4th June 2017.
8. Chairperson for Guest Lecture at International Virtual Anatomy Conference 2021 (IVACON 2021) was held at King George Medical University, Lucknow from 20th – 22nd February 2021. Topic: ‘Blended learning and Cadaveric Dissection: New Perspectives in Anatomy Education by Dr. Cecilia Brassett and
9. Chairperson for Guest Lecture at International Virtual Anatomy Conference 2021 (IVACON 2021) was held at King George Medical University, Lucknow from 20th – 22nd February 2021. Topic: ‘Assessing public knowledge of anatomy through

engagement: What do they know and what does it mean for anatomy education? by Dr. Adam Taylor.

10. Chairperson for scientific session on 'Anthropometry' at International Virtual Anatomy Conference 2021 (IVACON 2021) was held at King George Medical University, Lucknow from 20th – 22nd February 2021.

Paper Presentation in National and State Level Conferences:

1. "Study of fetal thymus" at 51st National Conference of Anatomical Society of India at Ahmedabad on 28th – 30th December 2003
2. "Study of Anomalous proximal attachment of Popliteus muscles on the head of fibula" at VI Annual Conference of Karnataka Chapter of Anatomist at Karnataka on 10th – 11th July 2004.
3. "Study of Hassall's Corpuscles" at VI Annual Conference of Karnataka Chapter of Anatomist at Karnataka on 10th – 11th July 2004.
4. "The Study of number and size of Hassall's Corpuscles in relation with increasing gestational age and crown rump length in fetuses" at 52nd National Conference of Anatomical Society of India at Hyderabad on 28th – 30th December 2004.
5. "The study of correlation between morphological Parameters of Fetal thymuses with increasing gestational age and crown rump Length" at 52nd National Conference of Anatomical Society of India at Hyderabad on 28th – 30th December 2004.
6. "The study of demarcation between cortex & medulla in fetal thymus" at VII Annual Conference of Karnataka Chapter of Anatomist at Bangalore from 13th – 15th May 2004.
7. "The study of anomalous origin of ulnar artery" at VII Annual Conference of Karnataka Chapter of Anatomist at Bangalore from 13th – 15th May 2004.
8. "The study of correlation between thymic weight & fetal weight" at VII Annual Conference of Karnataka Chapter of Anatomist at Bangalore from 13th – 15th May 2004.
9. "The study of Anatomical Variation of the Extensor Tendon of the Little Finger." at 53rd National Conference of Anatomical Society of India at Nagpur from 7th – 9th January 2006.
10. "Genetics - The Unwanted Baby of Anatomist?" at 53rd National Conference of Anatomical Society of India at Nagpur on 7th – 9th January 2006.
11. "The study of Fetal thymus at 18th week of gestational age." at 54th National Conference of Anatomical Society of India at Kochi on 27th - 30th December 2006.
12. "Estimation of age on the basis of ossification around the elbow joint" at XXIX Annual Conference of Indian Academy of Forensic Medicine at Mumbai on 23rd _ 25th February 2008.
13. "Genetic Father of Genetics" at 10th Karnataka Chapter of Anatomists Conference at Bagalkot, Karnataka on 23rd -24th August 2008.
14. "Study of unusual course of radial artery" at 10th Karnataka Chapter of Anatomists Conference at Bagalkot, Karnataka on 23rd -24th August 2008.
15. "Axillary arch – a case report" at 57th National Conference of Anatomical Society of India at Belgaum, Karnataka on 26th – 28th December 2009.
16. "Study of Foetal Thymic Corpuscles" at 57th National Conference of Anatomical Society of India at Belgaum, Karnataka on 26th – 28th December 2009.

17. "Study of Fibular attachment of Popliteus Muscle" at 57th National Conference of Anatomical Society of India at Belgaum, Karnataka on 26th – 28th December 2009.
18. "Extensor tendon of index finger" at 58th National Conference of Anatomical Society of India at Pune, Maharashtra on 27th – 29th December 2010.
19. "Case report – Three headed Biceps Brachii" at 58th National Conference of Anatomical Society of India at Pune, Maharashtra on 27th – 29th December 2010.
20. "Study of an unusual termination of Brachial artery" at 13th Karnataka Chapter of Anatomists Conference at Davangere, Karnataka on 9th – 11th September 2011..
21. "Fibroid of uterus – a case report" at 13th Karnataka Chapter of Anatomists Conference at Davangere, Karnataka on 9th – 11th September 2011..
22. "A case report on a mass in the colorectal region" at 13th Karnataka Chapter of Anatomists Conference at Davangere, Karnataka on 9th – 11th September 2011.
23. "A case report on variation in the origin of Profunda Brachii artery" at 59th National Conference of Anatomical Society of India at Indore, M.P. on 27th – 29th December 2011.
24. "A case report on variation in the origin of left vertebral artery" at 59th National Conference of Anatomical Society of India at Indore, M.P. on 27th – 29th December 2011.
25. "Study of the division of sciatic nerve" at XIV Annual Conference of Karnataka Chapter of Anatomists at Bijapur, Karnataka on 8th – 9th September 2011.
26. "Study of variations in the nerve supply to the Extensor Carpi Radialis Brevis Muscle." at XIV Annual Conference of Karnataka Chapter of Anatomists at Bijapur, Karnataka on 8th – 9th September 2011.
27. "Cadaveric Study of the polycystic kidney" at XIV Annual Conference of Karnataka Chapter of Anatomists at Bijapur, Karnataka on 8th – 9th September 2011.
28. 'Study of the division of radial nerve' at NATCON 61, organized by ASI, from 23rd to 25th November 2013 at PGIMER, Chandigarh.
29. "Study of Variations in Lumbricals of Hand" at 16th Karnataka Chapter of Anatomists Conference at Dharwad, Karnataka on 23rd -24th August 2014.
30. "Study of an unusual soleus muscle" at 16th Karnataka Chapter of Anatomists Conference at Dharwad, Karnataka on 23rd -24th August 2014.
31. "Anatomical study of variant superficial palmar arch" at 62nd National Conference of Anatomical Society of India at Imphal, on 18 - 20th November 2014.
32. 'Ethics for Medical Educators' at 6th National Conference of Society of Clinical Anatomists held on 4th June 2017.
33. 'Cadaveric Study of Branches of Arch of Aorta' at 6th National Conference of Society of Clinical Anatomists held on 4th June 2017.
34. 'Study of variant branches of arch of aorta' at 21st Karnataka Chapter of Anatomists Conference at Bangalore Medical College and Research Institute, Bangalore from 19th - 21st September 2019.
35. 'An Anatomical study of Lumbosacral Transitional Vertebra' at International Virtual Anatomy Conference 2021 (IVACON 2021) was held at King George Medical University, Lucknow from 20th – 22nd February 2021.

Genetics Conferences Attended:

1. Symposium on Molecular Medicine & Health held on 20-23 February 2005 at Centre for Cellular & Molecular Biology, Hyderabad, organized by ADNAT, ISHG & CCMB.
2. CME on “New Frontiers in Medicine-Molecular, Genetic, Technological advances & Human Rights” at Seth G. S. Medical College & KEM Hospital, Parel.
3. National CME on “Recent Advances in Genetics” organized by Department of Anatomy KLE University’s Jawaharlal Nehru Medical College, Belgaum.
4. Symposium in Medical Genetics – The Indian Scenario held on 27th March 2011 at Genetic Research Centre – National Institute for Research in Reproductive Health , Mumbai , organized by ICMR.

Continued Medical Education (CME) Attended:

1. CME on “Applied Anatomy” held on 27th December 2003 at Smt. N.H.L Municipal Medical College, Ahmedabad, Gujarat.
2. CME on Trends in Anatomy held on 9th July 2004 at the VI Annual Conference of KCA held at Shri BM Patil Medical College, Bijapur.
3. CME workshop on “Embalming Techniques” held on 4th – 5th of June 2004 at L.T.M. Medical College, Sion, Mumbai.
4. CME on “Imageology & Neuroanatomy” held on 27th December 2004 at Osmania/Gandhi Medical Colleges Hyderabad – Andhra Pradesh.
5. CME on “Communication Skill” at Seth G.S. Medical College & KEM Hospital on 4th February 2005 in collaboration with Nuffield International Health & Development group, university of Leeds, UK.
6. CME at VI Annual Conference of Karnataka Chapter of Anatomist at Karnataka on 10th July 2004.
7. CME at 52nd National Conference of Anatomical Society of India at Hyderabad on 28th December 2004.
8. CME at VII Annual Conference of Karnataka Chapter of Anatomist at Bangalore on 13 May 2004.
9. CME on “Communication skills” at International Conference at Seth G. S. Medical College & KEM Hospital, Parel on 4th February 2005.
10. CME at 53rd National Conference of Anatomical Society of India at Nagpur on 7th January 2006.
11. CME at 54th National Conference of Anatomical Society of India at Kochi on 27th December 2006.
12. CME at XXIX Annual Conference of Indian Academy of Forensic Medicine at Mumbai on 22nd February 2008.
13. CME on “Clinical applications of Anatomy” at 10th Karnataka Chapter of Anatomists Conference at Bagalkot, Karnataka on 22nd August 2008.
15. CME at 57th National Conference of Anatomical Society of India at Belgaum, Karnataka on 25th December 2009.
16. CME at 58th National Conference of Anatomical Society of India at Pune, Maharashtra on 26th December 2010.
17. CME at 13th Karnataka Chapter of Anatomists Conference at Davangere, Karnataka on 9th September 2011.

18. CME at 59th National Conference of Anatomical Society of India at Indore, M.P. on 26th December 2011.
19. CME on “Embalming” at 55th National Conference of Anatomical Society of India at Mumbai, Maharashtra on 26th December 2011
20. CME on “Combat Antimicrobial Resistance, No Action Today No Cure Tomorrow” at, held on 11th April 2011.
21. CME on “Breast Cancer” at K. J. Somaiya Medical College, Mumbai held on 9th March 2012.
22. CME on “Hoarseness of voice” at Mumbai Organized by the Association of Otolaryngologists of India held on 9th August 2012.
23. CME on “Plastination Techniques” at Jawaharlal Nehru Medical College, Belgaum, held on 3rd November 2012.
24. CME on “Hypertension” at K. J. Somaiya Medical College, Mumbai on 13th March 2013.
25. CME on “Scientific Meet on Radiation & Cancer” at K. J. Somaiya Medical College, Mumbai held on 16th April 2013.
26. CME on “Medicolegal Issues in Day to Day Clinical Practice” at K. J. Somaiya Medical College, Mumbai held on 30th April 2013.
27. CME at NATCON 61, organized by ASI, from 23rd to 25th November at PGIMER, Chandigarh.
28. CME on “Recent Advances in Clinical Embryology” at D. Y. Patil University, Kolhapur, held on 18th & 19th January 2014.
29. CME on “Head and Neck Cancer” at Somaiya Ayurvihar – Asian Institute of Oncology, K. J. Somaiya Hospital & Research Centre, Mumbai held on 2nd February 2014.
30. CME on “World Health Day” theme 2014 “Small Bite, Big Threat” at K. J. Somaiya Medical College, Mumbai held on 11th March 2014.
31. CME on “5th Continuing Surgical Education-2014” at K. J. Somaiya Medical College, Mumbai held on 11th April 2014.
32. CME at “16th Karnataka Chapter of Anatomist State Conference” at SDM College of Medical Sciences Hospital, Sattur, Dharwad held on 26th July 2014.
33. CME at 62nd National Conference of Anatomical Society of India at Imphal, on 17th November 2014.
34. CME on 7th Continuing Surgical Education-2016, held at K.J. Somaiya Medical College on 13th April. 2016
35. Training program on ICH – Good Clinical Practice, conducted by Medical Affairs Department, Wockhardt at K. J. Somaiya Medical College on 8th December 2016
36. CME on ‘DNA Fingerprinting & Its Medicolegal Implications’ held at Grant Government Medical College & Sir JJ Group Of Hospitals on 18th April 2016.
37. CME on World Health Day – ‘Beat Diabetes: Scale up prevention, Strengthen Care and Enhance Surveillance’ on 7th April 2016.
38. CME on Behind the Veil: ‘Domestic Violence’ – Prejudice or Hypocrisy of The Society! Organized by K. J. Somaiya School of Nursing and ICMR. on 17th September 2016
39. CME on World Tuberculosis Day – 2017, ‘Unite To End TB’, organized by Dept of Community Medicine and Dept of Respiratory Medicine on 24th March 2017.
40. CME on Medicine and Cardiology Update on 18th March 2017.

College Committee Membership:

1. Member - K. J. Somaiya Medical College Policy Making Committee
2. Chairperson - K. J. Somaiya Medical College, Silver Jubilee Souvenir Committee
3. Member – Anti ragging Committee
4. Member – D.N.B. Committee
5. Member – N.R.I. Admission Committee

Life Membership:

1. Staff society of KJSMC
2. Medical Teacher's Associations
3. Anatomical Society of India
4. Karnataka Chapter of Anatomist
5. Indian Society of Human Genetics
6. Staff society of GSMC
7. Staff society of LTMMC

Positions held in Sector Associations / Bodies:

Member of the Editorial Board of the following International Journals:

1. Indian Journal of Anatomy (IJA), as National editorial Board Member
2. MOJ Anatomy & Physiology, Edmond, OK, (Online): eISSN: 2471-139X as Associate Editor,
3. Indian Journal of Basic & Applied Medical Research (IJBAMR), P ISSN: 2250 – 284XE ISSN:2250 – 2858, Editorial Board Member
4. International Journal of Healthcare & Biomedical Research (IJHBR),
5. Scholars Journal of Applied Medical Sciences (SJAMS),
6. Scholars Journal of Medical Case Reports (SJMCR),
7. Medworld – Asia Publications (MAP),
8. International Journal of Anatomy and Research (IJAR),
9. SM Journal of Clinical Anatomists, USA,
10. Anatomy and Physiology: Current Research, USA,
11. Chronicle Journal of Cancer Science as Editorial Board Member,
12. Human Anatomy and Physiology: Open Access by Gavin Publishes,
13. Medwin Publishers Journal of Human Anatomy (JHUA) as editor, Oct 2017
14. International Journal of Neurobiology,
15. World Clinical Case Reports Journal, Vivid, 16th Oct 2019.
16. Advances in Orthopedics and Sports Medicine, 29th Oct 2019.
17. International Journal of Research and Reviews in Pharmacy and Applied Sciences, (JRRPAS), The international standard serial number (ISSN) for IJRRPAS is 2249-1236. Associate Editor.
18. The Journal of Anatomy, Photon foundation, ISJN: 2385-4732 Editor
19. South Asian Research Journal of Applied Medical Sciences (SARJAMS), ISSN (Print): 2664-8075, (Online): 2706-5774 Editor-in-Chief
20. Journal of Human Anatomy (JHUA), ISSN: 2578-5079, Editor
21. Scholars International Journal of Anatomy and Physiology (SIJAP), ISSN(Print): 2616-8618, ISSN(Online): 2617-345X as Associate Editor
22. SJMCR as Associate Editor

23. Anatomy Physiology & Biochemistry International Journal (APBIJ) as Associate Editor
24. Journal of Anatomy and Physiological Studies Editorial Board Member.

Editor

For Special Issue on 'Muscle Research' in the Journal 'Anatomy and Physiology, Current Research' in March 2017

Community Outreach:

Voluntary Body Donation Program – Awareness of Body Donation in Society.

The Department of Anatomy promotes zealously the 'Awareness of Body Donation' program in the community so that training of doctors is not hampered due to a shortage of cadavers and students are able to perfect their surgical skills. Donating one's body after death for the furtherance of medical education is the highest form of charity. Dr. S. P. Sawant takes lectures in the community for spreading awareness. The donors can avail of the facility of Body Donation program in the department 24x7 and their next of kin are awarded a 'Certificate of Appreciation' for this noble gesture. As a result of this program, the Department receives nearly 20 cadavers per year. Recently the Department has received 500 Donation forms through the NGO Jagat Guru Narendracharya.

Awards:

- i) Designed the 'Ekatva' logo of the Foundation Day of the Somaiya Trust in 2013. It was selected from hundreds of logos and won a prize for the same. It has now become the permanent logo of the Foundation Day.
- ii) Awarded the Jewel of Somaiya 2014 Award, 'Smt. Sakarben Somaiya Award for Best Academic Innovation in Higher Education' in 2014, for the endeavors in development of the department.
- iii) Awarded the 'Provost Award for Excellence in Teaching' in 2015, for efforts taken for motivation of students; providing them with incentives and thus being the inspiration behind their brilliant performance in the university examination.
- iv) Awarded a 'Certificate of Appreciation' and a 'Silver Jubilee Momento' by K. J. Somaiya Medical College and Teachers Association, in recognition of having successfully started the Post graduate Program Doctor of Medicine (M.D.) in Anatomy.
- v) Presided as 'Chief Guest' at the 'Ashaaskiya Mahavidyalaya Shikshaketar Karmachaari Sangh'(Unaided Colleges Non-Teaching Workers' Union) and was awarded a 'Certificate of Appreciation' and a Momento for the same.

Brief Profile of Prof. Dr. Sharadkumar Pralhad Sawant

General Profile:

I, Dr. Sharadkumar Pralhad Sawant graduated from Grant Medical College & Sir J.J. Group of Hospitals, Byculla, Mumbai in 1993 and Post-graduated from Lokmanya Tilak Municipal Medical College & General Hospital, Sion, Mumbai in January 2000 in the subject of Human Anatomy. I selected Anatomy because I had a passion for teaching. True, but a more important reason was that I had seen students who had taken admission in medical college from various remote parts of India, getting intimidated when confronted with the vast syllabus. Until then they were used to dealing with a finite syllabus, learning by rote and an unreasonable marking system. In a medical college the scenario was different. In addition, Anatomy presented a formidable challenge to any student as it encompasses disciplines like Histology, Embryology and not to mention Genetics which is at the cutting edge of present scientific advancement. Students were sometimes totally lost, they had language problems and Anatomy being a very dry and difficult subject, they found it very tough to study. Many were on the verge of a depression. I wanted to do something for such students, support them in their difficult times and give them moral support and not let them reach that stage. Anatomy was a discipline where I could achieve all this. Now after being in this field when I compare myself with others in the medical profession, I realize that they may have made more money being in clinical practice but I have achieved the satisfaction of producing good doctors with a human touch.

Professional Achievements:

I have a teaching experience of more than 25 years, working in different institutions. During this period, I have taught regional Anatomy, Embryology, Histology, Genetics to undergraduate and postgraduate students of Health Sciences like Medical, Dental, Physiotherapy, Occupational Therapy, and Nursing Faculty. I am a PG Guide, PG Teacher and PG Examiner. I am on the Panel of Examiners for Undergraduate & Post-graduate

(M.D.) examination of Maharashtra University of Health Sciences, Gujarat University, Datta Meghe University and KLE University - Belgaum, Rajiv Gandhi University of Health Sciences - Karnataka.

My achievements include 210 publications in various international and national journals, 1 book as co-author and 102 Google Scholar Citations. I have presented many scientific papers and posters in various national and international conferences.

I am an Accredited Speaker of Maharashtra Medical Council .

I am serving as editorial board member of 13 indexed medical journals.

1. Indian Journal of Anatomy (IJA), as National editorial Board Member
2. MOJ Anatomy & Physiology, Edmond, OK, as Associate Editor,
3. Indian Journal of Basic & Applied Medical Research (IJBAMR),
4. International Journal of Healthcare & Biomedical Research (IJHBR),
5. Scholars Journal of Applied Medical Sciences (SJAMS),
6. Scholars Journal of Medical Case Reports (SJMCR),
7. Medworld – Asia Publications (MAP),
8. International Journal of Anatomy and Research (IJAR),
9. SM Journal of Clinical Anatomists, USA,
10. Anatomy and Physiology: Current Research, USA,
11. Chronicle Journal of Cancer Science as Editorial Board Member,
12. Human Anatomy and Physiology: Open Access by Gavin Publishes,
13. Medwin Publishers Journal of Human Anatomy (JHUA) as editor.
14. Applied Physiology and Anatomy Digest (APAD)

At present I am the Professor and Head of Department of K. J. Somaiya Medical College, Sion, Mumbai. I have accomplished a major milestone in the progress of the department by achieving 2 post graduate seats of MD Anatomy for the Department.

I have developed the Department of Anatomy greatly so that our classrooms are accomplished with modern teaching technologies. Today the department is equipped with a

Radiology library, CD Library of the entire Anatomy syllabus, Research Article Library & Histology Slide Library as well as morphometric instruments which were not there earlier.

I have started programs like 'Early Clinical Exposure' & 'Competency Based Learning in Living Anatomy' and a Log Book for evaluation of the dissection programme for the students.

I have started applying different techniques of 'Cadaver Embalming' and also using a number of rubber models for teaching.

Innovations

As Professor and Head of Department at K. J. Somaiya Medical College, I have pioneered a Dissection Hall oath, '**Cadaveric Oath**'. It is a pledge which students recite on the opening day of Anatomy learning, to respect the dignity and integrity of the human remains they are about to work on. A Dissection Hall Oath is a unique and essential aspect of the medical curriculum and has gone on to become an essential part of Bioethics. Students now understand that you can live on even after death. It has since then become popular and is being followed in a number of other medical colleges as well.

I have also started a '**Handbook of Anatomy**' for the students of Ist MBBS and Ist BPTb, so as to make the curriculum easy for them. The art of teaching medical students should serve a triad of functions – Guide the teachers as to what must be taught, the student as to what ought to be learnt and the examiner as to what should be asked. Keeping this in mind, the 'Handbook of Anatomy' was started which consists of a fully structured teaching programme including lectures, practicals and dissection as well as methods of assessment.

I have started various competitions and seminars for the students in a bid to motivate the students to perform better and as a result their grades have improved greatly compared to previous years. These competitions were started in the name of the previous stalwarts of the department so that future generations do not forget the contributions of these legends in the field of Anatomy.

Dr. Kher Drawing Competition: Started in memory of the first Head of the department, Dr. Manohar Kher who himself was a great artist. Students are given anatomical drawings to paint. At the end of the competition, every year it is amazing to see the beauty of the drawings and the talent of the students. It is my future endeavour to release an atlas of the Department of Anatomy of these drawings.

Dr. Rajaram Seminar: Started in memory of Dr. Rajaram, one of the earlier esteemed Professors on the department. In those days when integration wasn't heard of, he would integrate Anatomy with the clinical subjects. Students are divided into groups of 10 and the best presenting group is awarded.

Dr. H. K. Mehta MCQ Competition: Started in memory of Dr. H.K. Mehta, one of the earlier esteemed professors of the department. The students are given 100 MCQs to solve covering all aspects of Anatomy, for a period of two hours. It is like a revision of the entire Anatomy syllabus for them at the end of their academic year. Student getting the highest score is awarded a medal and a Certificate.

Dr. I.M. Mehta Award for Best Dissection: Started in memory of Dr. I.M. Mehta, one of the very revered professors of the Department from its earlier days, was a very keen dissector himself. He could dissect the entire body in a day and loved teaching students the knack of remembering important anatomical terms. To select the best Dissector, the dissection of the students is closely observed throughout the year by the staff members of the department, as they dissect the entire body. The student who takes pains to meticulously dissect the cadaver is awarded the 'Best Dissector Award'.

Dr. Ahuja Histology Journal Competition: Started in memory of Dr. T. S. Ahuja, awarded to the students who draws neat and histologically correct diagrams.

Student Publications

I have motivated students to publish papers on the variations that they observe in the cadavers during their routine dissection. There are about 10 - 20 Student publications every year. It is very rare feat for students to have publications in the first year of medical studies.

Awards

I designed the '**Ekatva**' logo of the **Foundation Day** of the Somaiya Trust in 2013. It was selected from hundreds of logos and I was awarded a prize for the same. It has now become the permanent logo of the Foundation Day of Somaiya Trust.

I was awarded the **Jewel of Somaiya 2014 Award**, '**Smt. Sakarben Somaiya Award for Best Academic Innovation in Higher Education**' in 2014, for my accomplishments in the development of the Department of Anatomy.

The Somaiya Trust awarded me with the '**Provost Award for Excellence in Teaching**' in 2015, for efforts taken by me for motivation of students; providing them with incentives and thus being the inspiration behind their brilliant performance in the university examination.

I have also been awarded a '**Certificate of Appreciation**' and a 'Silver Jubilee Momento' by K. J. Somaiya Medical College Teachers Association, in recognition of having successfully started the Post graduate Program Doctor of Medicine (M.D.) in Anatomy in the Department of Anatomy of K. J. Somaiya Medical College.

I was awarded '**Medworld Asia International Excellency Award for 2018 & 2019**', in recognition for outstanding work and contribution in the field of research in Basic Medical Sciences.

I have presided as 'Chief Guest' at the 'Ashaaskiya Mahavidyalaya Shikshaketa Karmachaari Sangh'(Unaided Colleges Non-Teaching Workers' Union) and was awarded a 'Certificate of Appreciation' and a Momento for the same.

Community Work

I zealously promote 'Voluntary Body Donation Program' – Awareness of Body Donation in Society by taking lectures in the community. This is for spreading awareness in the community on the importance of donating one's body after death for the furtherance of medical education as it is not only considered to be the highest form of charity but also training of doctors is not hampered due to a shortage of cadavers and students are able to perfect their surgical skills. I have ensured that donors can avail of the facility of Body

Donation program in the department 24x7, 365 days a year. For promotion of the program, I have designed a 'Registration Form', Donor Card and a 'Certificate of Appreciation' for the next of kin of the donor, along with felicitation for the donor families for this noble gesture.

As a result of this program, the Department receives nearly 20 cadavers per year. Recently the Department has received 500 Donation forms through the NGO Jagat Guru Narendracharya.
